

**ENTRY**

**CL1**  
**(Low Budget)**

Roll Cold Laminating Machine

- The entry level handy cold laminator with pneumatic lifting and motor driven operation.
- Its heavy-duty silicon rollers together with pneumatic lifting system provide more even rollers balance and pressure that will allow you most graphic applications compare to the traditional manual laminator.

**Performance**

- ABS new design, strong and fine looking.
- Heavy-duty glue-free 130mm silicon rollers have more reliability and durability for long time use.
- Anti-static string is efficient way to ease static and Upgraded shaft caps and holders can be easily lock and load medias.
- Pneumatic lifting rollers, easier for lifting and pressure adjustment.

**Parameter**

CL1	
Max Lam Width	1630mm/64"
Max Lam Thickness	28mm/1.1"
Max Speed	6m/min
Panel	Mechanical
Heating	None
Max Temp	None
Foot Pedal	Single foot pedal
Control Panel	Front
Up and Down	Pneumatic
Roller	130mm Silicon
Trimmer Holder	None
Power	120W
N.W.	115KGS

**Operation**
